	 UNIVERSAL INVESTMENT Universal-Investment-Luxembourg SA	ValuAnalysis ValuAnalysis Ltd
	UIL offers international institutional investors, as well as asset managers, the individual fund and corporate solutions they need to structure their capital investments.	ValuAnalysis is an independent investment boutique regulated by the FCA, focusing on equities and specialising in valuation. The firm has developed a proprietary research model which identifies companies whose competitive advantage is under-appreciated by market participants. ValuAnalysis seeks to deliver a return in excess of the broad equity market over the longer term, whilst carefully controlling downside risk.

Disclaimer:

For professional investor use only. Not for distribution to the public. ValuAnalysis Ltd. is a limited liability company governed by the laws of England and Wales. This document provides a general overview of an investment strategy proposed by ValuAnalysis Ltd for the purpose of gauging potential investor interest. This document is not a financial promotion and should not be construed as such.

The information herein is believed to be reliable and has been obtained from sources believed to be reliable, but we make no representation or warranty, express or implied, with respect to the correctness, accuracy, or completeness of such information. The information herein is subject to change at any time without notice.

This document has not been audited or verified by an independent party and should not be seen as any indication of returns which might be achieved. Analyses and opinions contained herein may be based on assumptions that if altered can change the analyses or opinion expressed. Nothing contained herein shall constitute any representation or warranty as to future performance of any financial instrument, credit, currency rate or other market or economic measure. Furthermore, past performance including simulated past performance is not necessarily indicative of future results. Where projections, forecasts, targeted or illustrative returns or related statements or expressions of opinion are given ("Forward Looking Information"), they should not be regarded by any recipient of this document as a guarantee, prediction or definitive statement of fact or probability. Actual events and circumstances are difficult or impossible to predict and will differ from assumptions. A number of factors, in addition to any risk factors stated in this document, could cause actual results to differ materially from those in any Forward Looking Information. Gross performance figures do not reflect the deduction of commissions, fees or other charges that would have the effect of reducing investment returns. The value of investments and the income from them may go down as well as up. Investing involves risks, including the possible loss of the amount invested. The strategies and products mentioned herein involve numerous risks including, among others, market, counterparty default and illiquidity risk.

Each recipient of this document agrees that all of the information contained herein is confidential, that the recipient will treat information confidentially, and that the recipient will not directly or indirectly duplicate or disclose this information without the prior written consent of ValuAnalysis Ltd. Recipients who do not wish to undertake further investigation of the contents of this presentation agree to return this document promptly to ValuAnalysis Ltd.

This document and the information contained therein may only be distributed and published in jurisdictions in which such distribution and publication is permitted. Any direct or indirect distribution of this document into the United States, Canada or Japan, or to U.S. persons or U.S. residents, is prohibited.

The representative in Switzerland is ARM Swiss Representatives SA, Route de Cité-Ouest 2, 1196 Gland, Switzerland. The paying agent in Switzerland is Tellco AG, Bahnhofstraße 4, PF713, 6433 Schwyz, Switzerland. The Prospectus, the Articles of Association and annual financial statements can be obtained free of charge from the representative in Switzerland. The place of performance and jurisdiction is the registered office of the representative in Switzerland with regards to the Shares distributed in and from Switzerland.

Issued and approved by ValuAnalysis. Registered as a limited company in England and Wales. Authorised and regulated by the Financial Conduct Authority, reference 710908 | Company number 9505284.
